

We are delighted to announce that Jarod Ho, Head of Sustainability at Pos Malaysia will be speaking at the World Mail & Express (WMX) Asia Conference 2023.

Introducing Jarod Ho, the dynamic Head of Sustainability at Pos Malaysia with over a decade of experience in strategic sustainable development, risk management, and compliance.

Having worked in one of Malaysia's largest conglomerates, Jarod brings a wealth of knowledge and insights to drive positive change in Pos Malaysia. His empowering leadership style has transformed Pos Malaysia into a sustainability lighthouse example, focusing on eco-friendly practices and responsible business conduct.

Jarod's strategic acumen has led to successful implementation of carbon reduction strategies, circular economy adoption, and impactful community engagement initiatives.

As a speaker at sustainability forums, he shares his expertise, inspiring others to embrace sustainability for a brighter future.
